

# SILKPEEL® DERMALINFUSION®

## VITAMIN C PRO-INFUSION SERUM

Brightening without initiating skin damage or irritation is a physician's greatest challenge, made greater by products formulated with unstable vitamin C. This serum is purposefully formulated with a stable Vitamin C derivative for numerous brightening and anti-aging benefits—without instigating irritation.

### ADDRESSES

- Dull Skin
- Patients looking for antioxidant protection
- TEWL (Trans Epidermal Water Loss)

### KEY INGREDIENTS

#### Sodium Ascorbyl Phosphate, 5%

- Stable derivative of vitamin C
- Antioxidant
- Photoprotectant
- Helps natural collagen synthesis
- Helps prevent photodamage

### BENEFITS

- Preventative therapy
- Protects against free radicals
- Helps production of collagen synthesis
- Helps the skin retain moisture by preventing TEWL

#### Tocopheryl Acetate (Vitamin E)

- Antioxidant
- Helps prevent photodamage
- Anti-inflammatory
- Photoprotectant
- Moisturizes skin

#### Vitis Vinifera (Grape) Seed Extract

- Contains polyphenols
- Helps to protect connective tissue (elastin) from enzymatic degradation

Four (4) Dermalinfusion Treatments  
Once Every Two Weeks with Vitamin C and Ultra-Hydrating Pro-Infusion Serums

# SILKPEEL® DERMALINFUSION®

## TWO SERUMS ARE BETTER THAN ONE

Dermalinfusion enables the use of two Pro-Infusion Serums during one treatment to brighten and clear, hydrate and rejuvenate and much more.

### ULTRA-HYDRATING PRO-INFUSION SERUM

Delivers critical hydration enhanced by a permeation agent for greater anti-aging benefits including a dramatic reduction in visible fine lines.

### VITAMIN C PRO-INFUSION SERUM

Purposefully formulated with a stable Vitamin C derivative for numerous brightening and anti-aging benefits—without instigating irritation.

### SKIN BRIGHTENING PRO-INFUSION SERUM

Contains the patented Lumixyl peptide, developed by Dermatology Researchers at Stanford University, to safely and effectively inhibit the source of surface dark spots and discoloration.

### PORE CLARIFYING PRO-INFUSION SERUM

Facilitates skin clearing and targets surface oil production to address non-inflammatory and inflammatory acne.

## IDEAL FOR CLIENTS WITH

- Dehydrated and Dry skin
- Fine Lines and Wrinkles
- Mature skin
- Sun Damage
- Fine and Dry Lines
- Mature skin
- Hyperpigmentation
- Uneven skin tone and texture
- Discoloration
- Non-inflammatory, Inflammatory Acne
- Acne Scarring
